ADP Treatment/Recovery Technical Assistance and Training  
for the Native American Population

Application Deadline: Continuous

Invitation to Become a Consultant for  
*The California Alcohol and Drug Programs contract for  
Treatment/Recovery Technical Assistance and Training  
for the Native American Population*

We are seeking highly qualified Native American trainers and consultants to join our team. The Treatment/Recovery Technical Assistance & Training for the Native American Population in California administered by the California Rural Indian Health Board, Inc. through a contract with the State Department of Alcohol and Drug Programs provides 276 days of technical assistance and training, as well as three regional conferences. The State Department of Alcohol and Drug Programs reserves the right to approve or disapprove any consultant.

It is our goal to provide technical assistance (TA) and training focusing on reducing barriers to and assuring the quality of alcohol and other drugs, as well as related issues for prevention, treatment, and recovery program services for California's Native American population.

Consultants and trainers provide technical assistance and training to organizations in California to support staff, board, tribal and community members, county AOD programs, Indian Health Services programs, etc. to improve access to and assure the quality of alcohol and other drugs (AOD) prevention, treatment, and recovery program services for the Native population in California.

For more information on becoming a TA consultant, contact Deborah Kawkeka at:
