Alcohol Counselor Certification Training Schedule

The California Rural Indian Health Board was awarded the California Area Indian Health Service's (CAIHS) funding to deliver three 2-day courses for continuing education and one 5-day course for academic credit for CAIHS Tribal and Urban Indian Health Program Behavioral/ Mental Health and Substance Use Disorder SUD staff. In addition, this funding provides reimbursement of fees for SUD counselor certification test, re-certification, and membership. Through this funding, CRIHB will reimburse travel costs at the current GSA rate for CAIHS Tribal and Urban Indian Health Program staff to attend these networking sessions and training courses.
