Program name*

## CONFIRMED CASES AND DEATHS BY COUNTY

CURRENT AS OF July 6, 2020

### Counties with most reported cases

Los Angeles	115,133
Riverside	21,511
Orange	19,430
San Diego	16,728
San Bernardino	15,026

### Counties with most reported deaths

Los Angeles	3,454
Riverside	479
San Diego	366
Orange	387
San Bernardino	269

As of 7/5/2020. Source: CDPH

# California COVID-19 By The Numbers

July 6, 2020

Numbers as of July 5, 2020

## CALIFORNIA COVID-19 SPREAD

**271,684** TOTAL CASES

(+5,699, 07/05 || +3,187 L.A. cases, 07/04 || +2,643 L.A. cases, 07/03)

### Ages of Confirmed Cases

- 0-17: 22,332
- 18-49: 158,767
- 50-64: 54,836
- 65+: 35,441
- Unknown/Missing: 308

### Gender of Confirmed Cases

- Female: 134,224
- Male: 136,050
- Unknown/Missing: 1,410

**6,337 (+6)**  
Fatalities

### Hospitalizations

Confirmed COVID-19

**5,790/1,706**

Hospitalized/in ICU

Suspected COVID-19

**1,488/231**

Hospitalized/in ICU

# CORONAVIRUS DISEASE 2019 (COVID-19) SITUATIONAL REPORT #80 JULY 6, 2020

## COVID-19 CASES BY IHS AREA AS OF JULY 4, 2020

\*as of 11:59PM EST July 4, 2020

Based on self-reported data to IHS

CA up from 167 cases June 22, 2020

## Two sources for tracking American Indian and Alaska Native (AIAN) Cases reported in California

Data from the **Indian Health Service (IHS)** include positive cases reported by Tribal and Urban Indian Health Programs.

Data from **California Department of Public Health (CDPH)** include all positive cases of AIAN diagnosed in California.

Note: IHS data source is the IHS Data Portal, as of 6/25/2020. Gaps in CDPH reported AIAN cases are due to intermittent data availability.

Positive Cases by Age Group  
among all California cases

Positive Cases by Gender  
among all California cases

# COVID-19 Testing Information from Patients Seen at Tribal or Urban Indian Programs in CA (by testing location, not residence)

COVID-19 Testing Information from Patients Seen at a Tribal or Urban Indian Health Program in California.

Note: This map shows patients by the regional location of the clinic where they were tested and NOT by the residence of the patients.

Number of positive cases identified by region

UPDATED: June 25, 2020

# State Response

- CalOES Statewide Tribal Assistance Coordination Group (TAC-G) call:
  - Every other Friday @ 11:00AM, 1-888-240-2560; 282056959#
- Governor's Tribal Advisor Tribal Leaders call:
  - W @ 5:00PM (This call is by invite only to Tribal leaders and council members)
- Operational Area (OA)/Tribal Coordination call:
  - W @ 2:00PM, 1-844-291-5489; 6115888#
- Region COVID-19 Briefing call:
  - 2 x a week @ 3:30PM by Regions I-VI
  - When: **Mondays** and **Thursdays** at **3:30 PM PDT**
  - Duration: 1 hour
  - Conference Line: **888-455-0887**
  - Participant passcode: **3907094**

# Resilience Roadmap Stages

## **STAGE 1: Safety and Preparedness**

Making essential workforce environment as safe as possible.

## **STAGE 2: Lower Risk Workplaces**

Creating opportunities for lower risk sectors to adapt and re-open.

Modified school programs and childcare re-open.

## **STAGE 3: Higher Risk Workplaces**

Creating opportunities for higher risk sectors to adapt and re-open.

## **STAGE 4: End of Stay-At-Home Order**

Return to expanded workforce in highest risk workplaces.

Requires  
Therapeutics.

# Federal Response

## 4<sup>th</sup> stimulus package

- Paycheck Protection Program and Health Care Enhancement Act, signed on April 24, 2020
    - Provides emergency supplemental funding to increase amounts authorized and appropriated for commitments for the Paycheck Protection Program, economic injury disaster loans, and emergency grants under the CARES Act
    - Provides \$75 billion to reimburse hospitals and healthcare providers for COVID-19-related expenses and lost revenue
      - Provides \$750 million to Tribes, Tribal organizations, and UIOs to develop, purchase, administer, process and analyze COVID-19 tests, scale up lab capacity, and trace the spread of the disease
- Status: In process*

# Federal Response

## 4<sup>th</sup> stimulus package

- \$750 million for ITU
  - \$650 million: Per the statute, these funds can be used for necessary expenses to purchase, administer, process, and analyze COVID-19 tests, including support for workforce, epidemiology, and use by employers or in other settings
    - Scale up testing by public health, academic, commercial, and hospital laboratories, and community-based testing sites, health care facilities, and other entities engaged in COVID-19 testing.
    - Conduct surveillance, trace contacts, and perform other related activities related to COVID-19 testing. *Status: In process, submission of testing plan*
  - \$100 million: IHS will purchase tests, test kits, testing supplies, and PPE through IHS National Supply Service Center to be distributed at no cost to IHS, THPs and UIOs: *In progress*
  - \$50 million: Nationwide coordination, epidemiological, surveillance, and public health support

[http://www.ihs.gov/sites/newsroom/themes/responsive2017/display\\_objects/documents/2020\\_Letters/DTLL\\_D\\_UIOLL\\_05192020.pdf](http://www.ihs.gov/sites/newsroom/themes/responsive2017/display_objects/documents/2020_Letters/DTLL_D_UIOLL_05192020.pdf)

# Public Health Emergency (PHE) Declaration

- Original declaration of public health emergency issued by President Trump on 3/13/20.
- Due to expire after 90-days unless renewed on or before 7/25/20
- Per US Health and Human Services, spokesperson Michael Caputo, expected to renew PHE on or before **July 25, 2020**
- Some notable policies attached to the public health emergency are the Medicare inpatient 20% add-on payment for COVID-19 patients, increased federal Medicaid matching rates, requirements that insurers cover COVID-19 testing without cost-sharing, and waivers of telehealth restrictions.

# Telehealth

- Medi-Cal is paying Tribal Health Programs at IHS MOA rate for telehealth visits for the duration of the public health emergency.
- State of CA went an extra step to ensure Medi-Cal could pay at the IHS MOA rate, not just Fee For Service (FFS) rate through an emergency State Plan Amendment (SPA).
- Emergency SPA approval of IHS MOA rate for Telehealth is only good for the duration of the COVID-19 Public Health Emergency
- More work needed to make this the standard, beyond PHE

# Federal Updates

## Indian Country COVID-19 Response Update Call

- Date: Wednesday, July 8, 2020
- Time: 4:00 – 5:30 PM (EST)/1:00 – 2:30 PM (PST)
- Registration- RSVP is required:  
<https://ems9.intellor.com/?do=register&t=1&p=901617>
- Note: **You must RSVP to join the call.** Upon successful registration, you will receive a confirmation email with dial-in instructions.

Stay home.  
Give us a chance!

Walt Lara, Sr.  
Yurok Tribe

Ways to keep Elders safe during the COVID-19 crisis:

- Designate one or two family members who will be responsible for checking in on us and caring for us.
  - Make a plan to keep our food and medicine stocked. (This may mean dropping off food outside of our homes.)
  - Visit with us by phone, video, or through the window.
- #ProtectOurElders

California Rural Indian Health Board, Inc.

CRIHB COVID-19 Resources:

Don't put your  
loved ones at risk.

Lewis George  
Pit River Tribe

Protect yourself and your family from COVID-19:

- Practice physical distancing.
- Wash your hands with soap and water for at least 20 seconds.
- Do not touch your face with unwashed hands.
- Cover coughs and sneezes with your sleeve or a tissue.
- Wash your hands right after you cough, sneeze, or blow your nose.
- Follow guidelines from your Tribal Council and Tribal health clinic.

California Rural Indian Health Board, Inc.

Protect our Elders.  
Stay home. Save lives.

Beverly J. Hunter  
Table Mountain Rancheria

*The best way to prevent illness is avoid being exposed to the COVID-19 virus.*

- Stay home if possible.
- Wash your hands often.
- Keep space between yourself and others (stay 6 feet away, which is about two arm lengths).
- Avoid close contact with people who are sick.
- Clean and disinfect frequently washed surfaces.

*#PrayerWarriorsforAll*

# CRIHB COVID-19 Meeting Notes

## Questions

- Concern is that patients have to travel great distance to get tested. Even though clinic is providing transportation it is still creating a hardship. Also was brought to clinic’s attention that testing kits received from Shasta County were expired. Received a rapid testing machine from IHS but did not receive materials or kits to utilize machine. Great concern over lack of support Pit River Health Service has received from Shasta County
  - Question for clinic directors on call: How are you able to keep sourcing your testing supplies?
    - UIHS has been able to get supply from Humboldt and Del Norte County.
    - Suggestion for state of CA or CRIHB to work with IHS to get larger supply
    - Lake County Tribal Health has relationship with county public health department. They are running into shortage of antigen test. Conversations with county and Quest diagnostics indicate overall shortage of testing supplies. Also seeing a delay in reporting of results from Quest
  - Charlie Magruder from IHS extended an invitation to assist clinic leadership. Email [Charles.magruder@ihs.gov](mailto:Charles.magruder@ihs.gov)
- When will supplies from IHS National Supply Service Center be distributed?
  - Dr. Magruder will contact State health department
