

California Rural Indian Health Board, Inc.

# Tribal MAT Program

The CRIHB Tribal MAT (Medication Assisted Treatment) program is designed to meet the opioid prevention and recovery needs of California's Tribal communities.

We offer the following items *at no cost*:

- Naloxone (opioid overdose reversal drug).
- Workshops for providers, Tribal leadership, Tribal staff, partners and community members.
  - Administering Naloxone
  - Opioids 101
  - Harm Reduction
- Culturally adapted training and suicide prevention materials.
- Outreach and education around the impact of opioids in Tribal communities.
- Tribal Local Opioid Coalition assistance.
